North Wales LMC Privacy Notice

Description

North Wales LMC is a representative organisation for GPs working in North Wales. The Local Health Board (currently Betsi Cadwalladr University Health Board) is required to consult the LMC on a wide range of topics affecting GP, particularly regarding contracts. In addition, the LMC represents the views of North Wales GPs to the wider NHS, other public bodies, the media and the public. We work to represent the views and concerns of North Wales GPs within Wales through links with the General Practitioner Committee of Wales (GPCW), and within the UK through links with the General Practitioner Committee (GPC UK). We provide pastoral support to North Wales GPs, including advice and support. Advice is given via the parallel company North Wales Local Medical Committee Ltd, which has the same aims and role.
